

~A Graham Bloem Enterprises Company~

This is a required form for all participants receiving services with Graham Bloem Enterprises (later referred to as GBE).

First and foremost the safety and well being of your pet(s) is of the highest importance. Insuring that your pet remains safe and well cared for is our first responsibility and as such we take it very seriously. GBE does it's best to have our pet parents screen for pre-existing health conditions but some factors may be beyond our control. In the even that a medical emergency arises while a pet is at our facility or participating in a training program that we provide, it is imperative that we are immediately able to get them medical treatment at the closest available facility. Your pet will be taken to a medical treatment center to receive care from a licensed Veterinarian and you will be notified of any medical treatments that are needed. If GBE is not able to reach you, you are hereby granting full permission to provide any and all treatment necessary for your dog(s). Our goal is to get your pet medical attention as quickly as possibly and having any delays in doing so may hinder your pets wellbeing. For that reason, it is a requirement that all of our clients sign this form.

I understand that in the even of a medical emergency that GBE, at its sole discretion, deems to need attention of a licensed Veterinarian, I authorize GBE and its staff to seek medical attention at the closest available veterinary facility. I further agree that I am financially responsible for any medical treatments my pet(s) receives as a result of any medical emergencies or needs my pet has while attending services provided by GBE.
